Basis for Qualified Opinion:

Members' attention is invited to

1. Note (4) - The finished goods and work-in progress have been valued at estimated cost. The estimated Cost has been arrived by deducting certain percentage towards margin from the estimated selling price. We are unable to obtain sufficient and appropriate audit evidence about approximation of the estimated cost to the Actual cost as required by the Ind AS - 2 "Inventories" from the records maintained by the company. Consequently, we are unable to determine the impact of the same on the financial statements for the year end 31st March 2021.

2. Balance confirmations have not been received from Trade receivables, Other Financial assets and Other Financial liabilities against balance outstanding as on 31st March 2021. In the absence of such

confirmations, we are unable to comment on the impact arising out of reconciliation/ adjustments, if any, on the financial statements for the year end 31st March 2021.

3. Confirmation for balances of fixed deposits have not been provided for our verification. In the absence of such confirmations, we are unable to comment on the impact arising out of reconciliation/ adjustments, if any, on the financial statements for the year end 31st March 2021.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company, in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and ICAI's Code of ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

S.N.	Key Audit Matter	Auditor's Response
1.	<p>Issue of going concern and dependency on automobile sector</p> <p>The Company's revenue is significantly dependent on the automobile sector. The sector is witnessing down turn, along with the present situation of COVID19 pandemic, it has resulted in sinkage of revenue during the financial year 2020-21. The uncertainty of the present situation, in the normal course of business may cast significant doubt on the Company's ability to continue as a going concern in near term.</p>	<p>Our audit procedures related to and include the following:</p> <p>We enquired about the Management's future plans and its ability to mitigate the present situation on near term basis. Although the Company's revenue has been dependent on automobile sector; the Management is confident of its efforts to mitigate the present situation as the Company has an established track record of accessing diverse customer base, across markets in India and abroad. We have additionally sought and studied the company's future business projections submitted by the management to external credit institutions. However, there can be no assurance of the success of management's plans.</p>

Emphasis of Matter- Corona developments

The developments surrounding the Corona (Covid-19) virus have a profound impact on people's health and on our society as a whole, as well as on the operational and financial performance of organizations. The situation changes on a daily basis giving rise to inherent uncertainty. The Company is confronted with this uncertainty as well, which has been disclosed in the Note 29. (1).(a). (4) to the Ind AS financial

results, together with its evaluation thereof. We draw attention to these disclosures. Our opinion is not modified in respect of this matter.

Management's Responsibility for the standalone IND AS Financial Statements

The Company's Board of directors is responsible for the matters stated in section 134(5) of the act with respect to the preparation of these standalone IND AS financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the IND AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone Ind AS Financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the SAs will always detect material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of the user taken on the basis of the these standalone IND AS financial statements.

As part of an audit in accordance with the SAs, we exercise professional judgement and maintain Professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our audit opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the act, we are also responsible for expressing our opinion on whether the company has adequate financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions, that may cast significant doubt on the Company's ability to continue as a going

concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained upto the date of auditor's report. However, future events or conditions may cause the company to cease to continue as going concern .

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of subsection (11) of Section 143 of the Act, we give in the **Annexure A** a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE “B” TO THE INDEPENDENT AUDITORS’ REPORT

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **HITTCO TOOLS LIMITED** (“the Company”) as on 31st March 2021, in conjunction with our audit of the Standalone financial statements of the company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal financial control over financial reporting issued by the Institute of Chartered Accountants of India(ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

(1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and

(3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2021, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

31 Fair Value Hierarchy

Management considers that the carrying amount of those financial assets and financial liabilities, that are not subsequently measured at fair value, in the financial statements approximate their fair values

For financial instruments that are subsequently measured at fair value, their fair value measurement is grouped into Levels 1 to 3 based on the following fair value hierarchy

Level 1 :quoted prices (unadjusted) in active markets for identical assets or liabilities

Level 2 :inputs other than quoted prices included within level 1, that are observable for the asset or liability, either directly (i.e. as a price) or indirectly (i.e. derived from prices)

Level 3:derived from valuation techniques that include inputs for the asset or liability that are not based on observable market data (unobservable inputs)

There are no financial instruments measured at Level 1, Level 2, Level 3 of Fair Value Hierarchy as at reporting date

The carrying amounts of financial instruments carried at amortized cost i.e. Trade receivables, Cash and Cash equivalents, other financial assets, Borrowings, other financial liabilities and trade payables are considered to be the same as their fair values, due to their short term nature

Fair Valuation techniques

Fair value of financial assets and liabilities measured at amortized cost

Trade receivables, cash and cash equivalents, borrowings, trade payables, other financial assets, other financial liabilities are financial instruments with carrying values that approximate fair value. If measured at fair value in the financial statements, these financial instruments would be classified as level 3 in the fair value hierarchy
